Recognition and Visibility

The McCallum High School Project Graduation website is the best resource for the families and guardians of over 450 graduates for **everything** they will need to know about senior year, including: senior photo deadlines, prom information, senior elementary walks, graduation and baccalaureate dates, and multiple project graduation event notices.

**The McCallum related social media pages are resources for all MAC students and families to crowdsource information, ask questions, etc. High visibility is anticipated for business donor logos and names.
MAC families love to thank our donors with patronage!**
